SUPPLEMENTAL RESPONSE

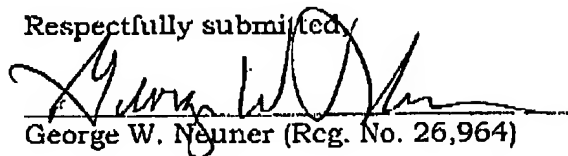

In the Office Action dated November 22, 2005, Restriction was required.

By response mailed December 22, 2005, Applicants have elected the invention of Group I, Species A, without traverse, for further examination in the present application. However, the response omitted the identification of claims readable on the elected species. Applicants hereby submit that Claims 1-15 are readable on Species A.

Nakamura, et al.
Application No. 10/824,832
Page 2 of 2

An early examination and notice of allowance are earnestly solicited.

Respectfully submitted,

George W. Neuner (Reg. No. 26,964)
